

AQA Quality Forum 2019

Thursday 31st October 2019 | 9:30am – 4:00pm | Level 9, 142 Lambton Quay,
Wellington

The format of the day will be a series of discussions on current topics in academic quality. Although the topics are all relevant for Cycle 6 academic audit, the focus on the discussions is on examining the state of knowledge (current research and best practice) and implications for academic quality with respect to the topic, rather than guideline statements and evidence for audit, per se. A summary of the day will be developed.

Who should attend:

University Quality managers and others interested in discussing current topics in academic quality.
